

Eternal Scholarships Application

This application is for an Endowed Scholarship for Tri Star Career Compact Students to further their education. The funds are held at the Mercer County Civic Foundation in Celina. An endowed scholarship is one that is initially funded and then invested so that the scholarship will not only last forever but continue to grow over time so more can be given to deserving students. This year we are offering five \$1,000.00 scholarships. Keep in mind that you may also reapply for a scholarship after you leave Tri Star and are continuing your education.

Please complete this application and ONLY submit to the office at Tri Star by April 1.

We are aware that you may not have all the information that this application asks for at the time you submit it, particularly on the Financial Aid portion on the last page. Please fill it out as completely as you are able. Some of the figures may be provided at a later date either by you or by the schools.

Eternal Scholarships Application

Full Name _____

Address _____

City _____ **State** _____ **Zip** _____

Phone Number _____

Parent/Guardian Names _____
