

Mercer County Civic Foundation

Annual Report 2024

Community Foundation: a 501(c)3 organization that makes grants for charitable purposes in a specific community or region. The funds available to a community foundation are usually derived from many donors and held in an endowment that is independently administered; income earned by the endowment is then used to make grants. Although a community foundation may be classified by the IRS as a private foundation, most (including our Mercer County Civic Foundation) are public charities and are thus eligible for maximum tax-deductible contributions from the general public.

Mission: to Enhance the Quality of Life for the People of Mercer County, Ohio, by Cultivating, Managing, and Disbursing Charitable Resources.

Board Members: Seated Heidi Moorman, Celina; President Elizabeth Muether, Celina; Sec./Treasurer Diana Bertke, Maria Stein; Karla Butler, Rockford. Standing: Phil Fullenkamp, St. Henry; Dave Kaiser, St. Henry; Vice President V.J. Westerheide, Coldwater; Evin Bachelor, Celina; Robert McKirnan, Celina

Staff: Executive Director, Sharon Green sgreen@mercercountycivifdn.org
Office Administrator, Evelyn Vian evian@mercercountycivifdn.org

To the untrained eye, Mercer County is just another small rural community in Ohio held together by faith, family and farming. While we encompass those three things, we are so much more. Behind everything we do there is a smile, a handshake, a welcoming nod. There is a bond that can't be seen but can be felt that brings us together.

The Mercer County Civic Foundation is proud to support the organizations, projects and people that make this county so much more. Through the generosity of our fundholders, we strengthen education, broaden access to art, music and books, create access to better healthcare outcomes, embrace our youth and uplift those who are struggling emotionally, financially and physically. It's what we have been doing since 1960.

The year 2025 will mark the Foundation's 65th anniversary of enhancing the quality of life for the people of Mercer County, Ohio, by cultivating, managing and disbursing charitable resources. We look forward to continuing our mission for another 65 years.

Sharon Green,
Executive Director

NEW FUNDS

Hagar Family Designated Fund—This fund was created to support the Grand Lake United Methodist Church located in Celina, Ohio. Grand Lake United Methodist Church has several outreach programs that benefit our community.

Russell and Rosemary Hagar Memorial Scholarship—This scholarship was created by Russell and Rosemary's daughter Robyn to honor her parents' positive influence on those around them. A \$1,000 scholarship will be awarded to a Mercer County graduating senior planning to earn a nursing degree or to attend a trade school in any discipline.

Cale Wenning Memorial Scholarship—Cale was a scholar athlete at Coldwater High School who tragically lost his life in a bicycle accident prior to the start of the 2024 Cavalier football season. This \$1,000 scholarship was established to keep his light shining and continue to encourage fellow athletes to strive for their best beyond high school.

Lewis and Ruth Gray Scholarship Fund—

This scholarship was established by the bequest of Connie Gray, a much-loved library employee, in memory of her parents. Lewis and Ruth were proud farmers and this scholarship will be awarded to a graduating Mercer County senior furthering their education in agriculture. The first scholarship will be awarded in 2026.

WSULC Police Academy Scholarship—Barb and Rod Carpenter announced that their eighth mission would be the creation of a scholarship to support students who attend the Wright State Police Academy. The first scholarship will be awarded in July of 2025.

Celina Arches—This fund was established to raise money to erect several archways throughout Celina to create a more welcoming atmosphere, especially to visitors. It is one more example of how our community economic growth is fueling more tourism, and local beautification.

Veteran Grave and Restoration Fund—Funds will be used for veterans' grave restoration and maintenance with townships throughout Mercer County. This is a flagship program and has been shared with other counties so they, too, can continue to show respect to our veterans and their families.

Jane Schwieterman Moran Memorial Scholarship—This scholarship was established by Jane's family to celebrate the kindness and generosity she showed countless people during her lifetime. This \$1,000 is for a St. Henry graduating senior who has played on the girls' volleyball team all four years of high school.

1964 Class Scholarship for Marion Local High School—Member of the Marion Local High School graduating class created this scholarship to help future Marion Local graduating seniors offset the cost of higher education in pursuit of a bachelor's degree, associate degree or a technical/professional/vocation certification. This fund also creates a unique partnership with the Marion Community Scholarship Foundation, which will be responsible for selecting the scholarship recipients.

Tom Lammers Bench Dedication—Purdy, Lammers & Shaivone staff and family members, along with Mayor Jeff Hazel, share their joy in unveiling park benches in memory of Tom Lammers. Tom was a former MCCF board member, and a beloved community leader who left a lasting impacting on all who knew him.

SCHOLARSHIPS

Scholarship funds continue to be the most popular fund among donors. They embrace family legacies of philanthropy and strengthen ties within the community. Two hundred and nine scholarship checks were written in 2024 for students seeking to further their education beyond high school. Many of these students attend colleges and trade schools in the surrounding area, and hope to continue to live and work in Mercer County.

Tri Star Eternal scholarship winners Zoe Cox, Layna Duncan, Caitlyn Nuding, Kenadie Ervin, Jenna Hart, and Carson Doenges stand between fundholders Barb and Rod Carpenter. This scholarship exemplifies the community coming together to support Tri Star graduating seniors. Barb and Rod created this scholarship with the help of generous donors from all corners of Mercer County and beyond.

GRANTS

Grants are awarded annually to agencies and organizations that directly impact the citizens of Mercer County. Generous fundholders provide unrestricted funds to enable MCCF to direct dollars to the greatest needs of the community.

Members of the Lake Area Arts Group pose for a photo after receiving grant dollars to support their annual Plein Air event and other programming open to residents of Mercer County.

Arts in the Parks celebrates friendship and creativity. MCCF is a proud supporter.
